FACTS

BETA-CAROTENE

PROVITAMIN A
25,000 IU

VITAMIN SUPPLEMENT

100 SOFTGELS

This provitamin A is part of the Carotenoid family and readily converts to Vitamin A in the system when needed. Beta-Carotene is an immune system enhancer and antioxidant. Antioxidants help fight cell-damaging free radicals in the body.* Free radicals can lead to oxidative stress, which, studies show, contributes to aging.**

DIRECTIONS: For adults, take one (1) softgel daily, preferably with a meal. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.
